**New Delhi:** Aadhaar number holders carried out more than 2,707 crore authentication transactions in 2024-25, including 247 crore such transactions in March alone, in a clear sign of its growing adoption and utility, according to a statement issued by the Ministry of Electronics and IT on Monday.

## Aadhaar Powers India's Digital Leap with Record 2,707 Crore Transactions

Aadhaar authentication has recorded an unprecedented milestone with over 2,707 crore transactions in the financial year 2024-25.

Notably, March 2025 alone saw 247 crore transactions, underscoring the growing reliance on Aadhaar across banking, telecom, and various government welfare schemes.

A major highlight of the year was the adoption of Aadhaar's AI/ML-based face authentication technology. With over 15 crore transactions in March 2025 and more than 100 entities embracing this innovation, the service has made the delivery of benefits and services more seamless. This cutting-edge modality earned UIDAI the prestigious Prime Minister's Award for Excellence in Public Administration under the Innovation category.

Aadhaar's e-KYC services also demonstrated a 6% growth compared to last year, totalling 44.63 crore transactions in March 2025 alone. Cumulatively, e-KYC transactions have now surpassed 2,356 crore, facilitating smoother business processes across sectors such as banking and finance. Additionally, 20 lakh new Aadhaar numbers were generated, and over 1.91 crore updates were successfully processed in March 2025, further reinforcing Aadhaar's integral role in service efficiency.

## India's digital leap records over 2,707 cr Aadhaar authentication Transactions during last fiscal

In a significant milestone reflecting the growing digital trust in India, Aadhaar authentication transactions surged past 2 thousand 707 crores during the financial year 2024-25. The Unique Identification Authority of India (UIDAI) has witnessed a substantial uptick in the adoption of its authentication services, especially face authentication, which has gained remarkable traction across sectors. In a statement, the Minister of Electronics and IT said that the rising adoption comes alongside a record-breaking 44.63 crore e-KYC transactions completed in March 2025 alone. These numbers highlight the role of Aadhaar in the government's Digital India initiative. Recognising UIDAI's efforts and technological innovation, the Authority was recently honored with the Prime Minister's Award for Excellence in Public Administration. The award was specifically given for the breakthrough adoption of face authentication, which is now being used in banking, telecom, healthcare, and public distribution systems.

## Aadhaar Authentication Surpasses 2,707 Crore In FY 2024-25; UIDAI Honoured With PM's Award For Innovation

Over 2,707 crore Aadhaar authentication transactions were carried out in FY 2024-25, underscoring the pivotal role of the biometric ID system in driving India's digital economy, the Ministry of Electronics and Information Technology said in a statement on Monday.

According to the ministry, Aadhaar number holders carried out 247 crore authentications in March 2025 alone—surpassing the figures recorded during the same period last year as well as in February 2025. With this surge, cumulative Aadhaar authentication transactions have now crossed 14,800 crore.

The ministry highlighted that this growth reflects Aadhaar's widespread adoption across sectors such as banking, finance, and telecommunications, and its vital role in ensuring the smooth delivery of benefits under various government schemes and services.

Recognising this innovation, UIDAI was conferred the Prime Minister's Award for Excellence in Public Administration on April 21 under the Innovation category for its work on Face Authentication.

In addition, Aadhaar's e-KYC service continues to facilitate ease of doing business, with over 44.63 crore e-KYC

## नवाचार के लिए यूआईडीएआई ने जीता प्रधानमंत्री पुरस्कार

नई दिल्ली, (पंजाब केसरी): यूआईडीएआई को लोक प्रशासन में उत्कृष्टता के लिए प्रतिष्ठित प्रधानमंत्री पुरस्कार मिला। इसे यूआईडीएआई के फेस ऑथेंटिकेशन मोडेलिटी के लिए इनोवेशन श्रेणी के तहत प्रस्तुत किया गया था। बता दें कि देश में लगातार आधार आधारित लेन-देन की संख्या में तेजी से बढ़ोतरी हो रही है। आधार संख्या धारकों द्वारा 2024-25 में 2,707 करोड़ से अधिक प्रमाणीकरण लेनदेन किए जाने से इसके बढ़ते उपयोग को बल मिला है। यही नहीं केवल मार्च में ही 247 करोड़ ऐसे लेनदेन शामिल हैं। आधार का बढ़ता उपयोग बैंकिंग, वित्त, दूरसंचार सहित विभिन्न क्षेत्रों में और विभिन्न सरकारी योजनाओं और सेवाओं के तहत लाभों के सुचारू वितरण में इसकी बढ़ती भूमिका को बयां कर रहा है। मार्च-2025 में प्रमाणीकरण लेनदेन की कुल संख्या (246.75 करोड़) पिछले वर्ष की इसी अवधि के साथ-साथ फरवरी 2025 में किए गए लेनदेन से अधिक है। वहीं स्थापना के बाद से, प्रमाणीकरण लेनदेन की संचयी संख्या 14,800 करोड़ से अधिक हो गई है। यूआईडीएआई द्वारा घर में विकसित एआई/एमएल आधारित आधार फेस ऑथेंटिकेशन समाधानों में भी उल्लेखनीय वृद्धि देखी जा रही है। मार्च में 15 करोड़ से अधिक ऐसे लेन-देन हुए, जो इसके बढ़ते उपयोग को दर्शा रहे हैं।
