MSE with adequate capacity and experience cannot participate due to the higher turnover criteria specified here. It is informed that India has a robust MSE industry that is already catering to the identity cards for government and private sector. Most of these companies have capacity to support the 100,000 to 150,000 card printing and despatch per day. Government of India mandate to support MSE is also quoted in context. This has been reflected in MeitY policy for major projects for GoI; viz Electronic Passports and Smart cards. It is submitted that the relaxation of turnover (25%) for MSE be allowed so that MSE can also be encouraged to participate in this prestigious tender. It is further remarked that EMD will be relaxed for MSE in Clause 7.	Extant guidelines on MSME as applicable to UIDAI will be followed.
