b. The contents of EN-02 (bidder's eligibility) shall be passed on to a duly constituted Technical Evaluation Committee (TEC) for evaluation. The TEC would scrutinize the bids with respect to the eligibility conditions specified in the tender document, may call for additional information from the bidders or may visit the bidders' offices for verification. Additional information if called for must be submitted in the time period given by the TEC failing which the bid shall be rejected.

c. EN-03 Financial bid shall be opened only for the technically accepted bidders on a date and time duly notified and in the presence of the bidders' representatives. The rates quoted by various bidders shall be read out in this session if so desired by the representatives. The financial bids shall be evaluated by a duly constituted Financial Evaluation Committee (FEC).

d. In order to have a single rate index for evaluating and comparing the tenders of different tenders for different categories of vehicles, the UIDAI has assigned weightages to each category on the basis of the estimation of the share of the vehicles required in each category and other parameters. Accordingly the following formula will be used to arrive at a single figure:

#### **Over all consolidated Rate Index**

At this stage the average rates for each category and both options (monthly or daily) shall be used to compute the aggregate index for all categories and options. The formula for this one will be as below:

$$\text{Over all consolidated Rate Index} = \{(M * 0.90) + (D * 0.1)\}$$

Where

M = Average Monthly Rate

and

D = Average Daily Rate

And \* is used as the symbol for multiplication.

Example is given below to clarify the working of this formula:

Suppose the Average Monthly Rates is Rs 25,000 and the average daily rate is Rs 1000/- per day, then the Overall Consolidated Rate Index will be:

$$= \{(25000 * .90) + (1000 * 0.1)\} = 22500 + 100 = 22600$$

Rate quoted for Extra KM beyond 2000 Km/2500 Km and extra hour beyond 300 hrs will not be considered for evaluation. Payment for extra day, Km and hour has been separately indicated in the proforma for financial bid at Para 1.1 and 1.2.

e. UIDAI shall have a panel of 2 (two) bidders. For this LQ2 will be asked to match the rates of LQ1. If agreed, LQ2 bidder will also be placed on the panel along with LQ1. If LQ2 does not agree, opportunity will be given to LQ3 bidder and so on. If

none of the other bidders agree to match LQ1 rates then LQ1 alone shall be on the panel. The work order will be distributed in the ratio of 70:30 between the two empanelled agencies.

f. Any attempt by any bidder to bring pressure of any kind, may disqualify the bidder for the present tender and the bidder may be liable to be debarred for three years from bidding for future UIDAI tenders besides forfeiting the EMD.

g. UIDAI reserves the right to accept any bid, and to cancel/abort the Tender process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or Bidders, of any obligation to inform the affected Bidder or Bidders of the grounds for UIDAI's action and without assigning any reasons.

h. The decision of UIDAI arrived at as above will be final and no representation of any kind will be entertained on the above. Any attempt by any bidder to bring pressure of any kind, may disqualify the bidder for the present tender and the bidder may be liable to be debarred from bidding for UIDAI tenders in future for a period of at least three years.

i) When deemed necessary, UIDAI may seek, clarifications on any aspect from the Bidder. However, that would not entitle the Bidder to change or cause any change in the substance of the tender submitted or price quoted. Also it will not imply that bidder's bid has been selected for processing.

j) UIDAI may waive any min or informality or non-conformity or irregularity in a bid, provided such waiver does not prejudice or affect the relative ranking of any Bidder.
